

Clinical Services

Our Clinical team comprises Master's level, licensed, and license-eligible clinicians.

Our clinical team supports individuals, families, and service teams throughout the Front Range. We have a long history of service to children, adolescents, and adults in the intellectual and developmental disability (I/DD) community, and our specialized services are sought out by the Division of Vocational Rehabilitation (DVR), courts and legal professionals, adult and child welfare departments, and probation departments.

What We Provide:

- Individual and group counseling
- County CORE services
- Mentorship
- Intensive in-home supports and home-based services
- Supervised visitation
- Therapeutic supervised visitation
- Parent-Child Interactional Evaluations
- EMDR
- Life skills education
- Intensive family therapy
- Family time
- Substance abuse treatment
- Sex abuse treatment
