

Foster Care & Certified Kinship Care

The PPCH Foster Care Program partners with Colorado counties to serve all children in need.

Foster parents and children are matched carefully based on the needs of the child and the skill set and experience of the foster parents.

What We Offer:

- Zero fees to become licensed
- Personal advocacy for you, your family, and your home
- 24/7 on-call availability with a small team of dedicated professionals
- Excellent working relationship with Colorado counties
- In-house clinical and behavioral services
- In-house monthly training
- In-house nursing support

The licensing process for foster parents involves multiple background checks and a series of clinical home interviews. All applicants are assigned a foster care worker to help them through this licensing process.
